COMPANY OVERVIEW

Brief History

Karnafully Shipping & Trading Limited was established in 1979 as a private limited company in Chittagong, Bangladesh for the purpose of providing efficient and quality services according to international standards to all stakeholders. Karnafully Shipping, C&F and logistics department provide wide range of services through its dynamic team members throughout the world.

Corporate Philosophy

Our corporate philosophy establishes the fundamental principles of our management system. Our operational and performance standards translate the corporate values into specific management expectations. We preserve high level of business ethics characterized by integrity and honesty in all our business actions.

Corporate Values

Karnafully Shipping & Trading Limited commits to:

- Adopting high standards of ethics in all its business actions and practices.
- Providing high quality & customized services based on clients' needs & expectations.
- Engaging a highly skilled personnel supported by an effective organizational structure.
- Implementing an 'Equal opportunities' and 'Environmentally friendly' policy.
- Gaining shareholders trust & increasing shareholders' value.

Environmental Policy

As a responsible corporate entity, Karnafully Shipping & Trading Limited is committed to protecting the environment in compliance with the environmental laws and the practices of the communities where it operates. While pursuing our activities we endeavor to minimize any adverse impact on air, water and land by means of pollution prevention and energy and water conservation. By doing so, we achieve cost savings, an increased operational efficiency, improved quality of services and ultimately, a safe environment for the community as a whole and a healthy workplace for our employees.

Commitment

We are confident that we can meet the expectations of our customers using the latest technology and provide individual level service. In order to provide the most efficient and cost competitive services, we have put in place a team of dedicated professionals who are well versed in handling all types of vessels 24 hours a day x 7 days in a week. In light of the above facts, we are ready and proud to act as agent for your vessels, C&F and other logistic services in Bangladesh.

MISSION & VISION

MISSION

Our mission is to provide quality shipping services through innovative solutions with the most cost effective manner, to build trust & long-term relationship with our clients by meeting their changing needs & expectations.

Also, the company aims to enhance its overall performance through modernization by acknowledging the requirements and upcoming potentials of its stakeholders taking in consideration its social and environmental responsibility.

VISION

Our vision is to become a Leading Ship Management Service Provider to our clients supporting them to congregate their business purpose building and maintaining long term business relationships.

The company also aims to set a benchmark to other market players in the shipping industry where they will have the intention to evaluate their performance on the fundamental principles of business ethics, customer focus, stakeholders' satisfaction, safety, environmental and quality standards, finances, vessels' operational and technical excellence, employees' competency and retention rates.
